

500 JOBS IN 50 DAYS!

JOIN THE GLOBAL SKILLS' CAMPAIGN TO
PLACE 500 PEOPLE INTO WORK
BEFORE CHRISTMAS

2020 has been a challenge for many. The impact of COVID-19 has seen the number of people out of work reach record highs - particularly among young people.

We're committed to changing that - and invite you to join us. We're looking to contribute to the rebuild of the local economy by placing 500 people into work before Christmas.
