## What is Disability Employment Services?

Disability Employment Services (DES) is an Australian Government Initiative to help people with a disability, injury, or health condition prepare for, find, and keep a job.

## Why choose Global Skills?

Global Skills has been delivering DES since 2006 and we are extremely proud of our consistently strong DES performance results. Our staff work incredibly hard to support and create valuable and sustainable employment opportunities for our job seekers with disability, illness or health related conditions.

Our Disability Employment Services are available at our Cabramatta, Fairfield, Wetherill Park, Katoomba, Penrith, St Marys and Windsor offices.

From your first appointment, you will be connected with a dedicated Employment Consultant who will work 1:1 with you to assess your skills, goals and needs. Your Consultant will help you prepare for and find work. They will stay in contact with you, including after you start work to provide ongoing support until help is no longer required.
