

Kickstart Your OSHC Career

Outside School Hours Care is a career which is rewarding and fun with the opportunity to work in a creative way with school age children.

With employment opportunities across the Y NSW's Outside School Hours Care (OSHC) services, Central Coast, this Pre-Employment Program will give you the skills and training to kickstart your OSHC career within a supportive environment.

As the lead provider in this program, Global Skills encourages all job seekers to come along to the information day – it may well be the start of a new path in life.
