

Workforce Australia

Employment Services

Delivered by Global Skills

Connection to education, training, local jobs

Through our Workforce Australia service, Global Skills can help you:

- Build confidence and skills
- Connect with education or training
- Find and complete work experience
- Find work in your local area

What is Workforce Australia?

Workforce Australia is an Australian Government funded employment service that supports job seekers find work. Workforce Australia, delivered by Global Skills provides tailored support to help you find and keep secure, meaningful work. With reduced caseload numbers the focus will be on delivering you a personalised service.

Why choose Global Skills?

Global Skills has been helping job seekers to find and keep meaningful work for over 30 years.

We invest in developing genuine relationships with local employers and complimentary services, so we can fast-track job seekers into work.

Global Skills provides intensive, pre-employment support to develop practical skills; and connects our job seekers to education, training and local jobs.

Your dedicated Employment Consultant will work 1:1 with you to understand your strengths, needs, preferences and circumstances. Together, we will build a personal plan that will help you reach your goals.

Global Skills offers

- A vast employer network to support your employment and work experience goals
- Mentorship from local employers
- A diverse education and training network including courses in areas of high demand.
- A strong collaboration with complementary employment programs
- A diverse Health and Community Services network to support your needs
- Access to our fully equipped job search hubs
- A diverse workforce including multilingual staff and connection with Accredited Interpreters
- A variety of ways to connect with us to suit your circumstance and needs
- Financial support for relevant items such as training, tickets, licences, travel and interview or work clothing and equipment
- Ongoing support once you start work/training/education
